

Blindness FAQs

How many times a day will the installation run?

On Mon 7 June the installation will run once at 8.30pm. From Tue 8 - Thu 10 June the installation will run twice, 6pm & 8.30pm. From Fri 11 - Sat 12 June the installation will run three times, 3pm, 6pm & 8.30pm.

How long is the installation?

Approx. 70 minutes, without an interval.

What is the age guidance?

Due to the subject matter we recommend this installation for people aged 15 years and above. The installation includes extended periods of complete blackout, strobe and bright flashing lights in close proximity to visitors and loud noises. Please also see the show's Content Advisory Notes (these contain spoilers). [Click here to view the Content Advisory Notes.](#)

Can I choose where I sit?

You can purchase up to 2 tickets per transaction. When you arrive at the venue you will be seated by our Front of House staff in accordance with social distancing and given a pair of headphones to wear throughout the installation.

If you are purchasing two tickets you should ensure you are attending only with someone in your household or social bubble as you will be seated together. If you are attending on your own you will be seated in a single seat.

What if I have access requirements?

The producers of *Blindness* have worked with their partners VocalEyes and Stagertext to deliver audio-described and captioned content. Visitors will be required to wear headphones throughout the installation.

If you wear a hearing aid or would usually use our hearing loop, and have any concerns about this, please contact us by emailing enquiries@thelbt.org.

Audio Description

Audio-described content will be available at every installation. If you require this service, please book an Audio-description ticket. We will then be in touch with more information on how to access this service when you visit.

Captioning

There will be a captioned installation for all those who would benefit from English captions at 6pm on Wed 9 June. If you require this service please book a Captioned ticket on Wed 9 June. We will then be in touch with more information on how this service will work before you visit.
